

# TURTLE

Ever see this fellow,  
house upon his back,  
crawling through the meadow  
with no fear of attack

by dog or cat or 'coon?  
He's the picture  
of sturdy, never soon  
but often later,

as Brer Rabbit found  
out to his chagrin:  
Turtle looks like a mound,  
but life's a race he'll win.
